GETTING READY FOR THE HOLIDAYS

The "Holidays" mean so many different things to different people. Each family has its own traditions, its own activities. To start the Holiday Season, we usher in Halloween and Fall Festivals. Pumpkins and treats, candy apples and pies. The fall is so full of good things. The weather starts to cool off—no more 100 degree days, yea! The days get shorter. And we start getting cozy inside with quilting projects.

And then it seems that Thanksgiving is just around the corner from Halloween! There is usually a flurry of activity in the kitchen and often we have the joy of getting together with family (some from far away) and good friends. After Thanksgiving the preparations for Christmas or Hanukkah begin in ear-

nest. Shopping and baking, cards and letters, wrapping and decorating. All of this as we enjoy the bounty of the season and the excitement and laughter that is in the air. We hear Christmas music everywhere and decorations delight the eyes.

And with all of this our hearts and thoughts turn to giving. Giving of ourselves to help those less fortunate. Giving of gifts to those we love. So often, as quilters, we make gifts to give our loved ones. These gifts have a bit of ourselves in them, making them a bit more special than the gifts we buy. As we sew these gifts our thoughts turn to that special person who will receive the gift and many times a prayer or two goes into the gift as well.

We hope that we will be able to help you in your gift giving this year.

We are offering several quick classes, each of which would make wonderful gifts. Look for the tree to designate a class that would make a great Christmas project.

Then come to our Christmas Party on Saturday, December 17 from 10am—12 noon for some good Holiday Cheer and delicious treats!

We sincerely thank you for your patronage this year. Without our wonderful customers we could not be here. We enjoy serving you and having you as a part of our lives.

Happy Holidays!
